From your feedback we know that you want to continue with zoom jams, have virtual workshops, and would also really like to have a newsletter again. For these things to occur, your participation is needed. We hope that our members and friends can find ways to contribute that bring them joy. If you are interested in any of the following, please let Lane know at membership@nyckelharpa.org.

Zoom Jam Tech Support: We provide the zoom account, you start the jam, admit folks, and help with any technical issues.

Zoom Jam Leader: You host the event, preferably with a friend who helps enter tune names, etc, into the chat. You can design the shape of the event to suit yourself - just show up and play tunes, encouraging others who show up to lead a few tunes as well OR you plan ahead and invite a few ringers to assist in the leading of tunes OR something new. We have had both styles mentioned and both work. You are limited only by your imagination.

Zoom Jam Coordinator: Want to recruit new jam leaders and create dates for future events? We have the two upcoming jams, but it would be great to have someone looking to create future events.

Virtual Workshop Coordinator: Interested in seeing the ANA host virtual workshops? Want to help design and produce them? Let us know!

Newsletter Editor: We provide a mail program account with lists of members and friends, you create content working with the board of directors to share information and working with other members and friends to create interesting content.

If you are interested in any of the above, please let Lane know at membership@nyckelharpa.org.
